FOR IMMEDIATE RELEASE

### **Project Acorn Announces 12<sup>th</sup> Annual Lasser Invitational Golf and Tennis Outing**

Project Acorn, the Morristown-based non-profit dedicated to assisting local low income families with preschool education funding, announces the 12<sup>th</sup> Annual Lasser Invitational Golf and Tennis Outing. The event will be held on June 16, 2008 at the Morris County Country Club.

An expected 100 golfers will tee off for a noontime shotgun start. Three holes will be designated for winning a car with a hole-in-one and a shoot out will conclude the day of golf. A cocktail reception and dinner will follow the golf outing.

The tennis round robin will be held in the morning, followed by lunch and awards.

The first of two annual fundraising events for Project Acorn, the Lasser Invitational raised tuition scholarships for 24 children in 2007. "This is a very special event for Project Acorn," said Bob Ward, past president of Project Acorn and this year's event chairman. "We are especially appreciative of our event sponsors. This year, US Trust, Bank of America Private Wealth Management, a long-time Project Acorn corporate sponsor, is joined by a new supporter, Big Blue Trading, as well as the AAA New Jersey Automobile Club, Valley National Bank, and JR Cigars. With the support of these organizations and our tournament participants, Project Acorn is able to make a difference to young children in our community by preparing them for success in their future education and in their lives."

A few hole sponsorships and places for foursomes remain. For additional information, contact Paola Valencia at 973-455-7815 or [paola@projectacorn.org](mailto:paola@projectacorn.org).
